

## CORRECTION

M.I. Beloglazov (Polar Geophysical Institute, Apatity, Russia)  
G.F. Remenets (Institute of Radiophysics, State University of St.-Petersburg, Russia)  
V.P. Nemirov (Department of Physics, State University of St.-Petersburg, Russia)

In our paper published in the past issue of the Apatity Seminar Proceedings (Beloglazov et al., 2000) Fig 1 on page 98 was reproduced incompletely. The correct Figure is presented below.

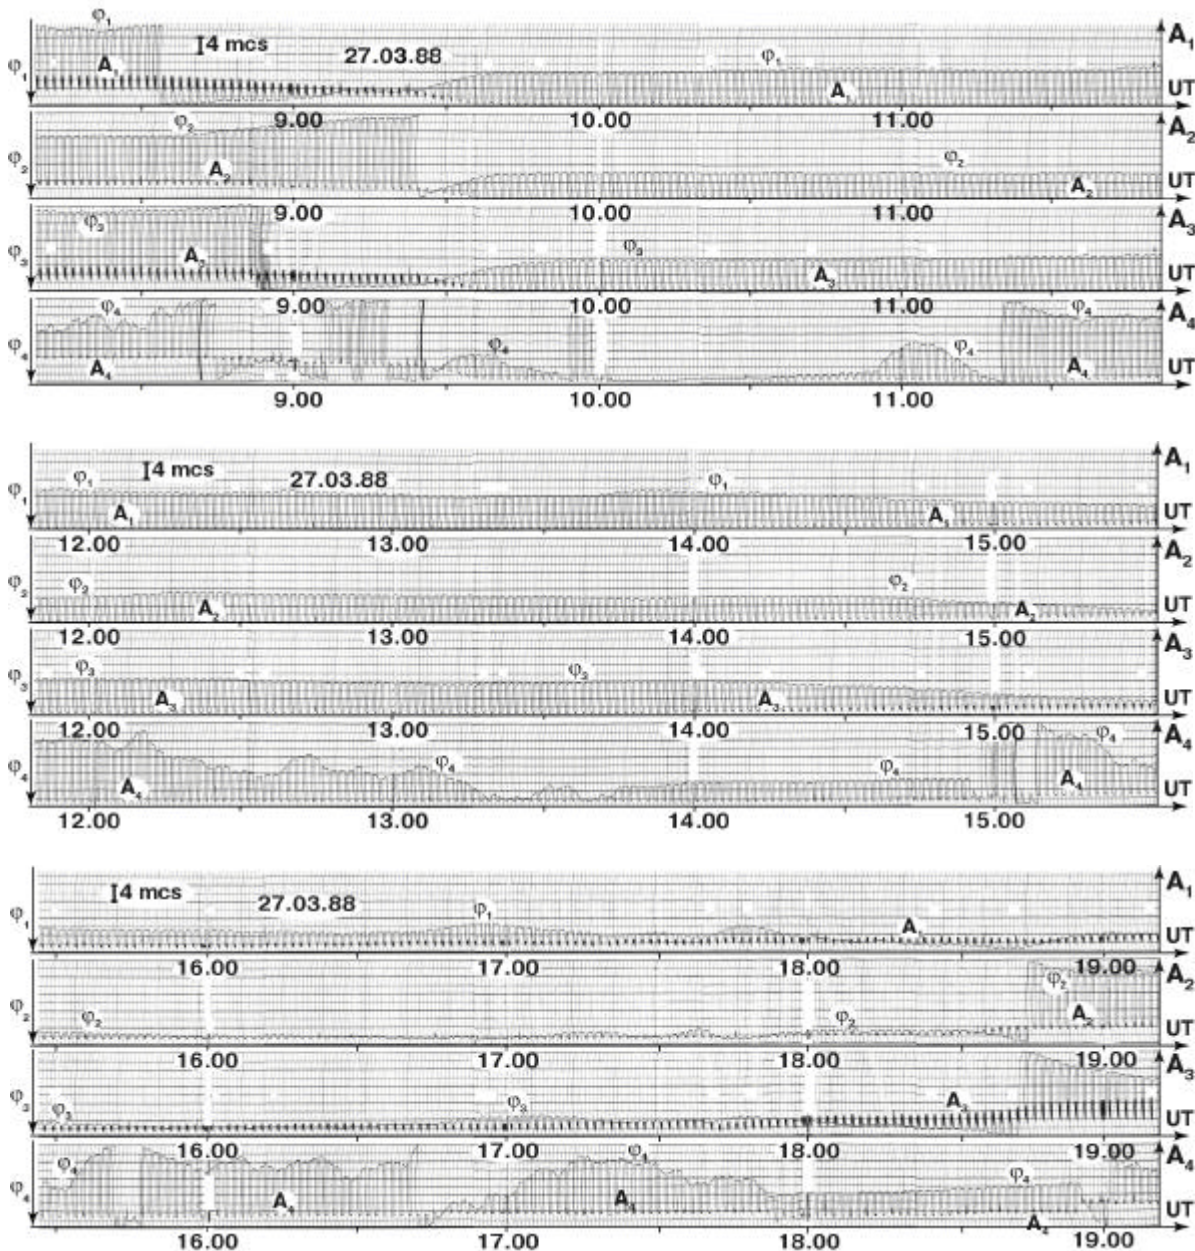

Fig. 1. The example of the VLF variations during UrEP
